

Investment & Consulting Company LLC
“Paradigma.Ukraine”

About the Company

Paradigma.Ukraine is an **investment and consulting company** that has evolved from a law firm specializing in legal support for clients in the fields of energy, natural resources, ecology, corporate governance, and investment law.

Today, we position ourselves as a **reliable local operational partner for international investors** looking to enter the Ukrainian market, as well as for Ukrainian companies in need of effective solutions to attract capital and grow their businesses. We not only provide consulting services but also actively participate in investment projects.

Key Areas of Activity:

- **Legal Consulting** (corporate, financial, and energy law)
- **Financial Consulting** (audit, risk management, transaction support)
- **Management Audit** (business process optimization, corporate governance)
- **Investment Activities** (fundraising, joint projects)
- **Government Relations** (GR)

Our Advantages:

- Over **7 years of experience** in supporting energy and investment projects
- **Deep expertise** in energy, natural resources, and corporate governance
- **A well-established network** of contacts in the business environment and government institutions
- **Practical experience** in managing investment projects and creating efficient business models

We do more than just consulting—**we create solutions that deliver results.**

Our team consists of experts from various industries, united by a shared mission to rebuild Ukraine. We have experience in energy, finance, engineering, law, and international relations.

Serhii Antonenko – Lawyer, Investor, and Board Member

With over **12 years of legal experience**, Serhii Antonenko has led practices in energy and the oil & gas sector, criminal law, economic crimes (white-collar crime), and anti-raiding.

Recognized as a recommended lawyer in “Business Protection” (2016, 2017)

Member of the National Association of Advocates of Ukraine (NAAU)

Member of the Ukrainian Bar Association (UBA), Committees on Energy Law and Corporate Law

Head of the Energy Committee of the Ukrainian Advocates’ Association (UAA) (2023)

Winner of the “Lawyer of the Year 2023” award in Environmental and Energy Law

Legal Director of “Ukrtransgaz”, the operator of Ukraine’s gas storage system (2023-2024)

Member of the Professional Association of Corporate Governance (PACG)

Our Mission:

We aim to assist international investors in entering the Ukrainian market safely and efficiently, minimizing risks and creating conditions for profitable and long-term investments.

Founder of Paradigma.Ukraine”
– **Serhii Antonenko**

What We Offer

We execute joint investment projects with international investors, acting as a local operational partner.

Our Primary Focus – **Renewable Energy:**

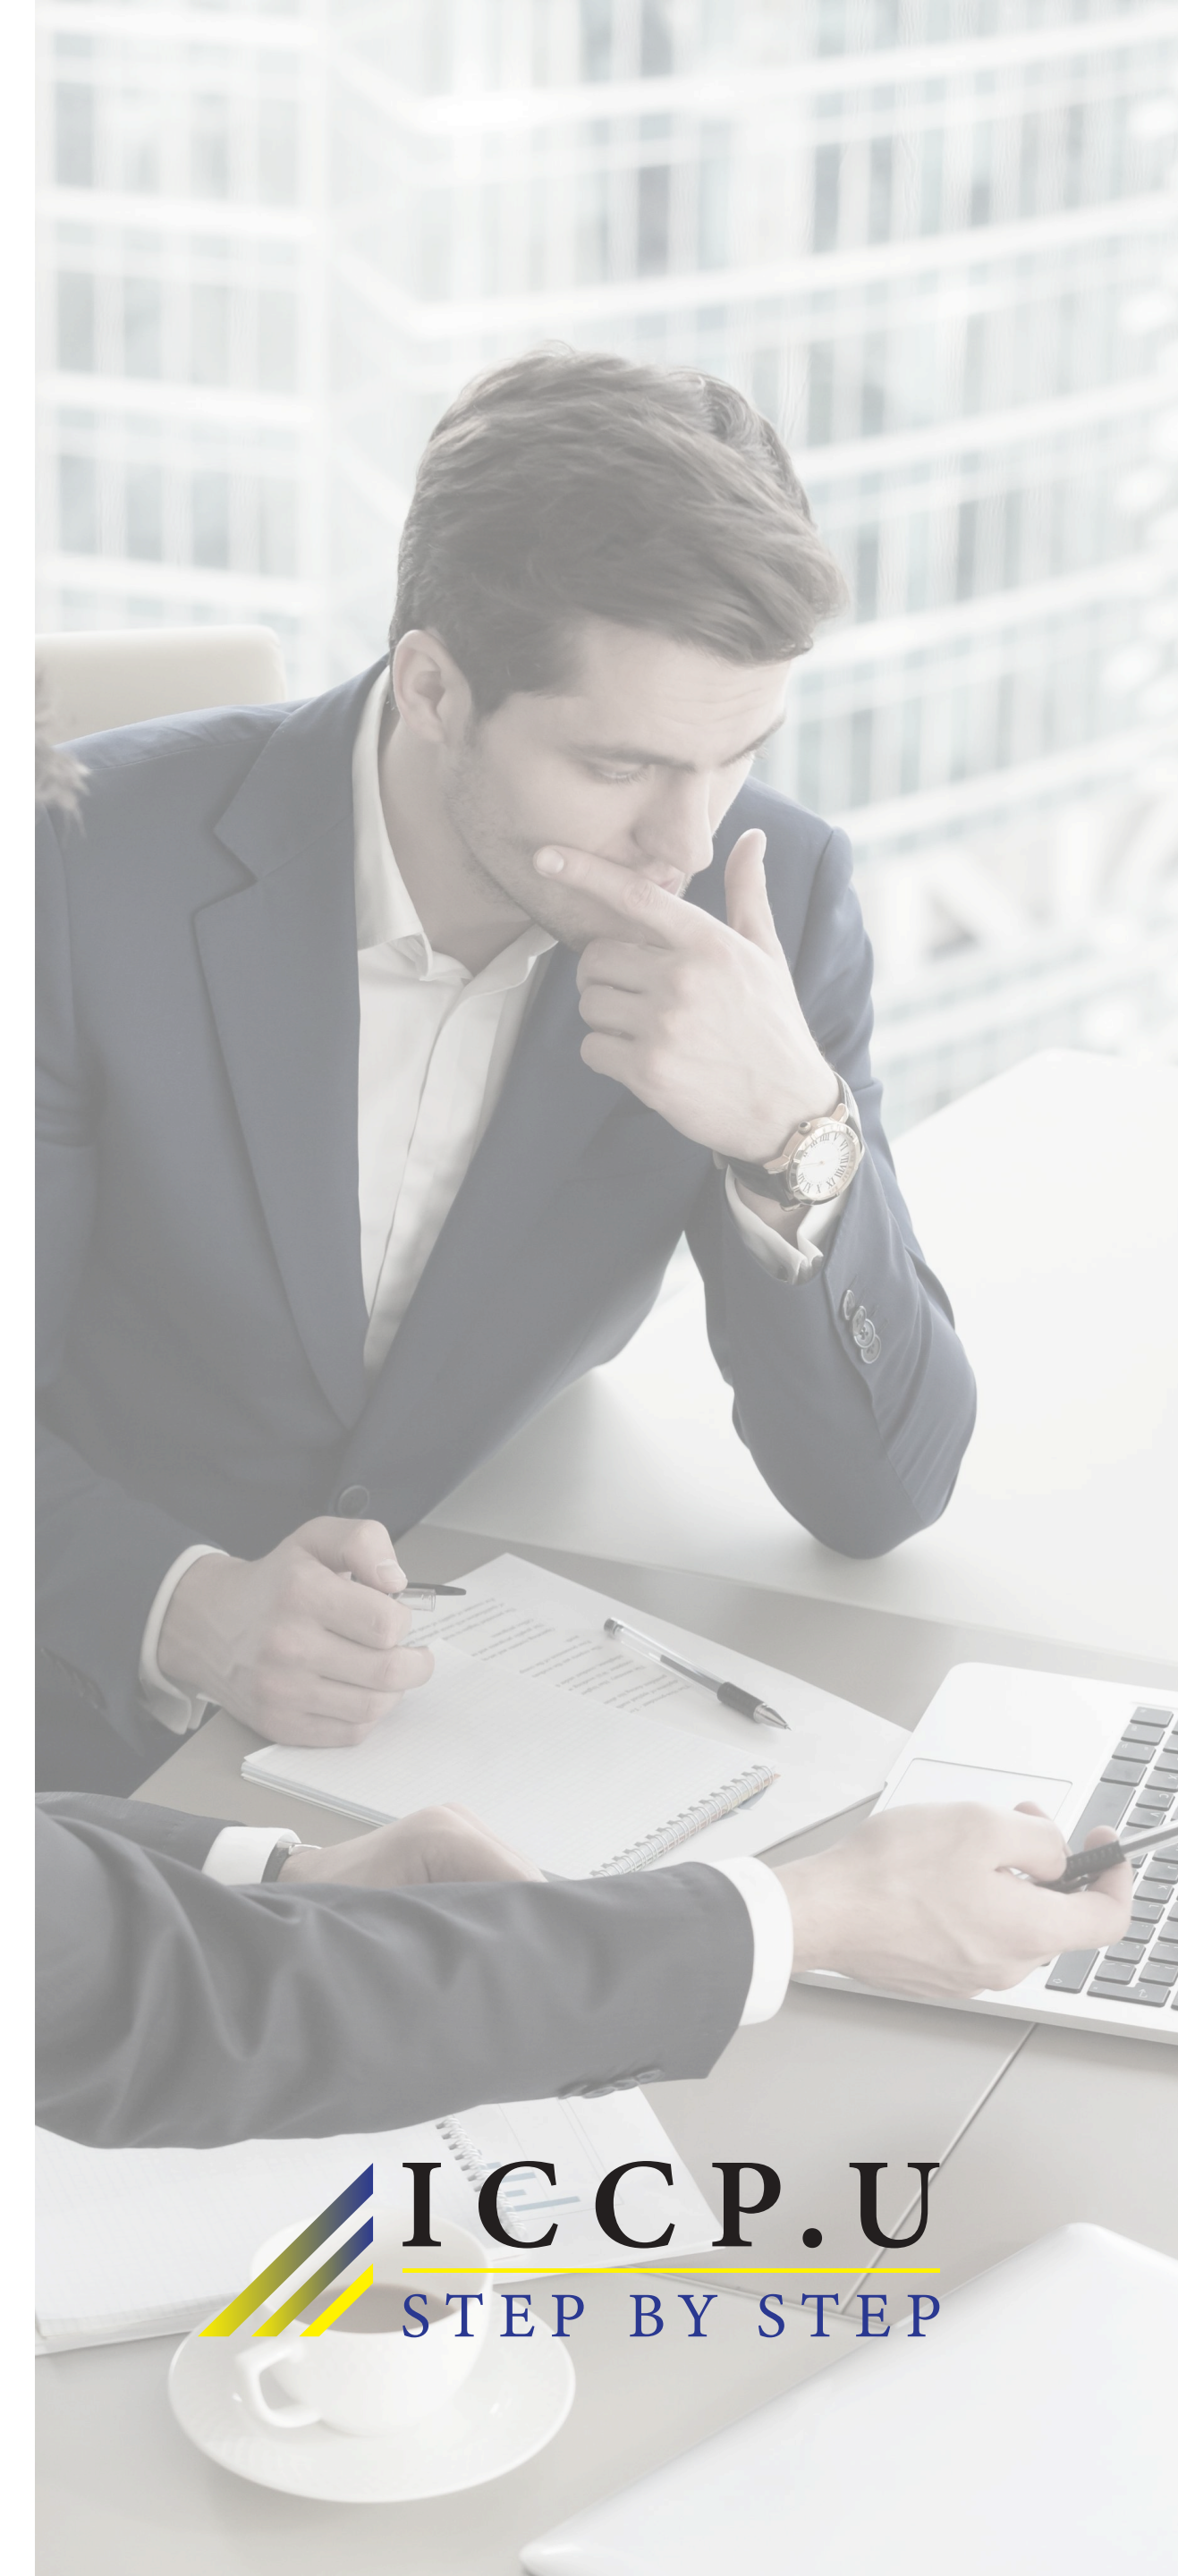

- Construction of solar power plants
- Wind power generation
- Energy storage systems
- Cogeneration plants
- Electricity and gas trading

Our approach involves deep business immersion and building long-term partnerships based on trust, efficiency, and stability.

If you are considering Ukraine as a promising investment market, we will be your reliable partner and guide in a complex yet highly profitable business environment.

Beyond investment activities, we provide **full-cycle consulting and GR support**, including:

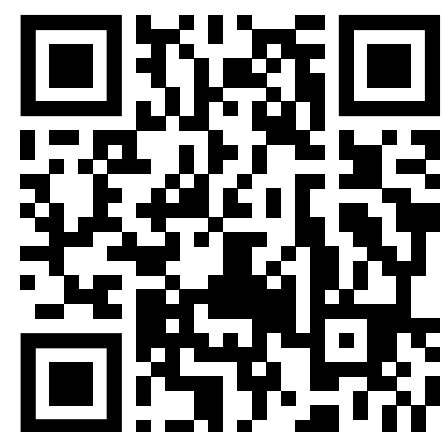

- Legal support and financial analysis
- Interaction with government authorities and obtaining permits
- Strategic development and risk management
- Monitoring contractor activities during construction
- Expertise in commercial electricity accounting
